

MOTHER CLELIA MORNING STAR HIGH SCHOOL

Our school provides a distinctively Catholic education to students with exceptionalities in Pensacola and surrounding areas. We strive to meet our students unique academic, social, and emotional needs with Christ's love and compassion, as we prepare them for independence and success after high school.

The teachers at Mother Clelia are deeply committed to providing individualized instruction tailored to each student's unique learning style. Grounded in faith, they work closely with students in small class settings, ensuring that every learner receives the attention, support, and encouragement they need to thrive.

We proudly accept Step Up For Students Scholarships

How is Mother Clelia Morning Star High School Different?

Our teachers utilize the Florida ACCESS points standards, to ensure that our students receive a comprehensive course of study, enabling them to learn in their own unique way.

Students have regular inclusion opportunities at Pensacola Catholic High School - lunch service, mass, pep rallies, electives, school dances, volunteer events, sporting events, and more!

Life Skills are integrated into each grade level. Students will take courses in everything from money management & household chores, to career planning and interview skills. We want to equip our students to achieve their goals.

Our classrooms offer a diverse mix of technology use and hands-on instruction. Every student has an assigned iPad and is taught safe and responsible use of online resources and web-based curriculum.
